MEMORANDUM FOR : Personnel
Att: [] 25X1A9A

SUBJECT : Availability of Drivers for Detachment C
25X1A9A

1. [] called this date regarding schedule for arrival of Detachment C drivers at [] 25X1A6A

2. I informed [] that 4 drivers are due to report 6 August, and the second group of 4 to report 20 August. The 4 scheduled for 13 August all fell by the wayside due to physical or other disqualifying reasons. [] is departing today to recruit 4 additional drivers for C. The date they will be available for [] is still undetermined.

3. [] stated that this two weeks separation between reporting dates of the drivers suited them fine. However, it was absolutely essential that the drivers report in groups of four and not straggle in as individuals as they did for Detachment B. Also [] would like to know even one day's slippage in reporting dates of these drivers.

4. I request that you follow up on the reporting of these drivers most carefully and see to it that the drivers do arrive in groups and not as individuals, and also that you keep [] 25X1A9A informed of any slippage in the reporting dates by TWX.

5. Please keep me informed of any slippage in the driver program or failure to meet this schedule.
